

A BIG THANK YOU.....!

"To All the staff at Fewcott House, I just wanted to say thank you for all your care of my mum over the last few months of her life. Obviously having a parent needing to be cared for away from home is a traumatic decision but the caring nature of the staff eased my concerns. I will always remember some of you for your caring natures.

My kindest regards and thanks"

"Dear staff at Fewcott,
I would like to thank you all for your care of my husband.
He was happy at Fewcott for the short time he was with you,
myself and my family are very grateful for that.
Thank you also for the wonderful floral tribute you sent for his funeral"

"Thank you for caring for my brother so well,
staff are always helpful, kind and courteous.
I know he is very happy here,
he especially enjoys the beautiful garden"

"To all the staff, A big thank you for doing a great job
in making our mum's stay away from home a pleasurable experience.
She would love to come back some time in the future.
Sending lots of love and best wishes."
